

Applied Suicide Intervention Skills Training

Facilitated by Michelle Graeber (CEO) and Renee Tsatsis LivingWorks Aus

ASIST is the most widely used suicide intervention model in the world. In this 2 day interactive workshop, learn how to:

- Reflect on how your attitudes and beliefs about suicide affect your intervention role
- Discuss suicide with a person thinking about suicide in a clear and direct manner
- Build a collaborative approach to intervention focused on safe outcomes
- Review immediate suicide risk and develop appropriate safeplans
- Recognize that suicide prevention is broader than suicide first aid and includes life promotion and self care for caregivers

ASIST is run by registered LivingWorks trainers and uses internationally standardized learning materials.
